Save Water

YES!
NO!
YES!
Water your yard and outdoor plants early or late in the day to reduce evaporation.
Use a shut-off nozzle on your hose.
Use plants that require less water.
Mulch around plants to hold water in the soil.
Energy
Get an Energy Star labeled washing machine.
Wash only full loads.
Use a low flow showerhead.
Tick Tick Tick
Take shorter showers — five minutes or less is best.
Turn off the water while soaping hands and brushing teeth.
OFF
